**Addendum Number 1**  
**To**  
**Justice Center Roof Replacement**  
**Bid**

To All Bidders:

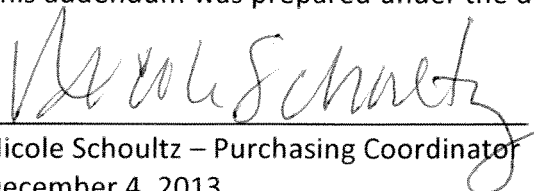

Identified below are clarifications and additions to the original bid and are hereby made part of the bid documents as fully and completely as if the same were fully set forth therein.

- Drawing RP-1, Note 10, shall be modified and read as follows:  
10. Contractors shall take precautions to avoid any unnecessary noise during the project. Noise caused by vibrating equipment such as hammer drills will be strictly prohibited during the times of 8:00 am until 12:00 pm and 1:00 pm until 4:30 pm Monday through Friday. This type of noise can travel through the structure of the building causing disruptions to the courtrooms. Noise from heavy equipment such as trucks and cranes will be allowed throughout the project. This type of noise will not be as evident in the courtrooms as it is muffled by the exterior of the building, office and chamber spaces and the corridor around the courtrooms.
- Drawing RP-1, Note 11, shall be added and read as follows:  
11. Contractor and his subcontractor(s) to provide list of all employees who will be on-site at some point during project. List shall include full legal name and birthdate.

Drawings will not be re-issued.

On the bid form, you must acknowledge this addendum and addendum date (12/4/13).

This addendum was prepared under the direction of:
