#1. What is the budgeted amount of the funds that are available for the pilot program?

There is not a set budget for this pilot project for the initial year of operations. A combination of county funding and community grant funding will be used to fund this pilot initiative.

#2. Is there funding for this pilot program specially ear marked at United Way and the Community Foundation for this project after the pilot is completed?

There are not set funds earmarked for this project in continuing years at this time. Once an initial budget is established for the pilot project, funding partners will work to identify continuing funding needed for this service.
