

ADDENDUM NO. ONE

DATE: May 11, 2021
TO: ALL PLAN HOLDERS
FROM: Peggy Hawley, Westwood
SUBJECT: Appleton International Airport
Parking Lot Improvements

This addendum forms a part of the contract documents and modifies the original proposal documents.

Acknowledge receipt of this Addendum on the Bid Form. Failure to do so may result in the rejection of your bid.

Changes to Bid Form:

Base Bid

Add the following item:

311.0110 Breaker Run
690.0150 Sawing Asphalt

Revised the following items:

205.0100 Excavation Common
460.2000 Incentive Density HMA Pavement
643.0300 Traffic Control Drums
643.0420 Traffic Control Barricades Type III

Alternative 1

Revise the following items:

204.9060.S Removing Flag Poles
715.0415 Incentive Strength Concrete Pavement

Alternative 2

Add the following:

311.0110 Breaker Run
643.0300 Traffic Control Drums
643.0420 Traffic Control Barricades Type III
690.0150 Sawing Asphalt

Revised the following items:

205.0100 Excavation Common
305.0120 Base Aggregate Dense 1 ¼ Inch
460.2000 Incentive Density HMA Pavement

Alternative 3

Added the following items:

204.0115 Removing Pavement Butt Joints
SPV.0060.19 Salvage Concrete Wheel Stops

ADDENDUM NO. ONE

Revised the following items:

305.0120 Base Aggregate Dense 1 ¼ Inch

460.2000 Incentive Density HMA Pavement

Changes to the Special Provisions:

Revise Item 2. Scope of Work to include the following paragraph:

It is the airport's desire to maximize the parking lot expansion with funding allotted for the project. The boundary between Base Bid and Alternative 2 may be adjusted to allow this maximization. Therefore, the quantities identified in the plan for Base Bid and Alternative 2 may be adjusted up or down based on the as-bid unit price. No adjustment to unit prices, up or down will be made due to the increase or decrease in quantities.

Add Item 35. Salvage Concrete Wheel Stops. Item SPV.0060.19

35. Salvage Concrete Wheel Stops, Item SPV.0060.19.

A Description

This special provision describes salvaging concrete wheel stops.

B (Vacant)

C Construction

Carefully remove concrete wheel stops from edge of parking area to avoid damage. Place salvaged material in a neat pile outside the construction limits at a location the engineer approves. Place the salvaged concrete wheel stops back in their original location after paving the surface lift.

D Measurement

The department will measure Salvage Concrete Wheel Stops by the each acceptably completed.

E Payment

The department will pay for measured quantities at the contract unit price under the following bid item:

ITEM NUMBER	DESCRIPTION	UNIT
SPV.0060.19	Salvage Concrete Wheel Stops	EACH

Payment is full compensation for removing, stockpiling, and placing concrete wheel stops.

Changes to the Plans:

Replace sheets 2, 3, 4, 8, 9, 10, 11, 13, 15, 16, 17, 19, 20, and 22.

Add plan sheet 15A.
